

Join The Connected Care Exchange Membership Event

Unlock Better Health Data Access with CCE HIE

Join Us On
Tuesday, March 25, 2025
11:30 A.M. - 1:00 P.M.

Lower Rio Grande Valley Development Council
301 W. Railroad, Weslaco, Texas 78596

Lunch will be served.

What is a Health Information Exchange (HIE)?

HIE enables secure, standardized electronic sharing of health information between healthcare organizations to improve care coordination, efficiency, and public health outcomes.

What To Expect:

We cannot wait to show you the transformative power of connected providers. The right healthcare exchange can make patient care easier and more effective - This event will show you how.

- Opening Remarks and Welcome
- National & State HIE overview
- About us
- Services
- CareDocs: HIE Provider Portal Demo
- CareAlerts: Hospital Notification demo
- ATLIS Medicaid overview
- Grant funds
- Merit-Based Incentive Payment System (MIPS):
- Using HIE supports transitions of care

Connected Care Exchange Revolutionizes Information Access For The Whole Healthcare Industry

We connect providers across healthcare, so please join us no matter what area of healthcare you are a part of.

- Hospital Leadership
- Case Management
- Emergency Department
- Pharmacists
- Physicians
- Skilled Nursing and Rehab
- Home Health
- Hospice
- Dialysis
- EMS
- And Other Community Partners / Stakeholders!

Help us shape the future of healthcare by developing an inclusive, secure system for sharing patient information.
